FAQs

Date: Friday, September 26, 2025

Time: 8:45 AM – 4:30 PM.

Location: 333 Golden Gate Avenue - UC Law San Francisco

What are we doing, exactly?

We will hear from two amazing trial lawyers on two different and effective jury selection techniques. For these, we will gather in Room 101 of the 333 Golden Gate Avenue Building. See the attached AGENDA.

We're talking 'bout practice?

After each presentation, we will move into smaller breakout groups to get on our feet and try out these techniques. You will be given a breakout group number and a small room assignment. Each of you will be assigned one Case Problem. Please take a moment to read your Case Problem. You will base your practice jury selection questions off of your Case Problem.

Will there be food?

For those who RSVP'd, we will provide coffee & bagels in the morning and lunch at midday. We will also provide a wine & cheese hour on the SkyDeck: 4:30 – 6:00 p.m.
